

Press Release:

December 20, 2021

Ellipse Global joins GardaWorld Federal Services (GWFS), a wholly owned subsidiary of GardaWorld Security Corporation.

On November 23, 2021, GWFS finalized the acquisition of Washington-based Incident Catering Services, LLC and their subsidiary OK's Cascade Company, LLC dba Ellipse Global.

Ellipse Global is a market-leading provider of rapid response, full-service, turn-key mobile base camps and mobile catering services solutions throughout the United States and Canada. Ellipse Global has supported federal, state, and local government agencies for more than 50 years with a proven track record of providing best-in-class services for disaster response, disaster recovery, military training exercises and mobile events.

GardaWorld is the global leader in risk management, security services and cash solutions offering comprehensive security and risk management services to more than 35,000 clients in various industries across more than 45 countries. GWFS is the cleared business unit of GardaWorld Security Corporation that is singularly focused on delivering best-in-class security, medical, logistics, and mission support to U.S. Federal, State, and Local Government customers, both domestically and abroad.

The addition of Ellipse Global greatly enhances the vast array of solutions currently offered by GWFS, and provides clients with more comprehensive and innovative solutions to the risks and challenges they encounter.
